Włodzimierz **Żmuda**

TOPICS OF THE CONFERENCE

1. Modern technologies in the design, construction, maintenance, diagnostics and operation of rail infrastructure and rolling stock for passenger and goods transport, including the issue of autonomous running.
2. Modern models of infrastructure design, implementation and management, including BIM..
3. Implementation of the investment horizon 2014-2020 and plans for the years 2021-2027.
4. Certification for usage of structural subsystems resulting from interoperability.
5. The development of rail transport in agglomerations.
6. High-speed railways in the world, the prospect of their development in Poland.
7. Adaptation of the technical education model to the needs of the rail transport market.

CONFERENCE PROCEEDINGS

Articles prepared for the presentation at the conference, after the review, will be published in the Research and Technical Papers of the Polish Association for Transportation Engineers in Krakow and delivered to the participants during the conference. Each publication in the Research and Technical Papers of the Polish Association for Transportation Engineers in Krakow series: Proceedings in accordance with the current list of Ministry of Science and Higher Education on December 23, 2015 (Part B) has **5 points**.

The guidelines for the preparation of papers: <http://www.sitk.org.pl/zeszyty-naukowo-techniczne/>

Papers should be sent to the email address: konferencja.nowoczesne@gmail.com

We also accept articles in English for publication.

The organizers invite young engineers at the age below 35 to prepare and present their papers. The most innovative presentation selected by the Scientific Committee will be awarded by the Organizers.

THE CONFERENCE FEE

Requirements for participation in the CONFERENCE: sending the completed APPLICATION FORM (by post, fax, e-mail or on-line - application form on our website: <http://www.sitk.org.pl>) and making a payment of **1490,00 + VAT 23%** per person to the account of SITK RP Department in Kraków, 30-804 Kraków, ul. Siostrzana 11, Bank PEKAO S.A. nr 43 1240 4722 1111 0000 4859 0666 **by 31 October 2018**. At the transfer, please provide the name of the participant (s) of the conference or the invoice number.
