„Associations and NGOs for sustainable mobility”  
**15th of September 2016, Krakow**

The Krakow City Council,  
pl. Wszystkich Świętych 3/4

**Polish Association of Engineers and Technicians of Transportation SITK RP in Cracow**  
together with The Krakow City Council, Transport Section at Cracow University of Technology  
and Polish Chamber of Civil Engineers Malopolska District in Cracow

are honored to invite you to participate in International Conference organized in the year of 70<sup>th</sup> anniversary of the Polish Association of Engineers and Technicians of Transportation in Cracow. The conference will be focused on the issues relating to the role of associations and NGOs in shaping sustainable mobility in cities.

The aim of the conference is to exchange knowledge and experiences on successive activities of NGOs and engineering associations supporting sustainable urban mobility, in particular:

- comparison of the legal and organizational conditions,
- perspectives in solving social problems of cities suffering from congestion,
- best practices from Poland, Europe and other Continents,
- role of engineering and transportation women's organizations in sustainable development,
- international cooperation for the success of sustainable mobility.

**The conference fee: 100 Euro**

You are invited to present your paper. All accepted papers (presented in oral or poster session) will be published in a peer-reviewed Research and Technical Journal of Polish Association for Transportation Engineers in Cracow, series: Conference Proceedings.

*Instructions on the paper format:* <http://www.sitk.org.pl/zeszyty-naukowo-techniczne/>
